INTER DEPARTMENT

MEDINTEL-BINGO

-- *Department of Pharmacy*

Price Worth : Rs 3,000

→ *A Bin-go challenge.*

- Each team shall consist of a single participant.
- The competition will be conducted in two rounds.
- Round 1: will be a qualifying round based on general healthcare knowledge, basic medicines, and first-aid awareness, where clues will be provided to each participant in a box.
- Participants will compete against the clock and must respond within the time limit announced by the organising team.
- Each correct answer will earn positive marks, while an incorrect answer will attract negative marking.
- The top 5 participants who complete the round accurately in the shortest duration will qualify for Round 2.
- Round 2: will be the final round, where the shortlisted participants will compete again with a fresh set of clues.
- Evaluation will be based on accuracy of answers, speed of response, and total score obtained.
- Any claim or response will be verified by the judges, and incorrect claims will be rejected.
- Use of mobile phones, smart devices, written material, or any external assistance is strictly prohibited.
- Any misconduct or violation of rules may lead to deduction of marks or disqualification.
- The decision of the organising committee and judges shall be final and binding.

Judging Criteria

- Accuracy of the answer, Speed of response, Total score obtained.
